

Mrs Price

Mrs Price is leaving,
We're feeling very sad,
We'll miss her smiley face,
It's better than when she's mad!

But Foundation love her very much
and will wave a last goodbye,
To the bestest Headteacher in the world
and even in the sky!

Mrs Price

Mrs Price, we gather here on this family fun day
And in Year 1, we have some words that we want to say

You've been a lovely head teacher at our school
And we've enjoyed your collective worship in the hall
You are flowery, respectful, and a happy delight
You have taught us to shine our light bright

You are inspiring, wonderful, and kind
You will always be on our mind
We will miss you
And wish you lots of luck too

Mrs Price's Poem

I love your kindness, you are loving every second,
You are cheerful all the time,
You love and are loved by every child,
A very thoughtful headteacher,

We will miss you!

You are kind every day and terrific,
You are helpful to everyone when they are hurt,
Wonderful every day,
Brilliant Mrs Price – caring and nice,

We will miss you!

You are brilliant and I love your resilience,
I love that you are fantastic,
You are cheeky and Boomtastic every minute (cheeky in a good way),
You are amazing because you are funny,

We will miss you!

Amazing because you are a really nice headteacher,
You care for everyone which makes me feel safe,
Colourful – because you wear bright clothes,
I love that you are my headteacher as you are so cheeky and open-minded,

We will miss you!

Cheeky sometimes because you make us laugh,
You are really funny,
Loved and loving,
Calm and caring,
You are beautiful,
We will miss you!

Every day you are open minded and kind,
You are beautiful and calm,
Caring for everyone,
I am loved and cared for because when I hurt myself you help me,
I love when you are a caring headteacher,
We will miss you!

Our Perfect Price

You are the Dumbledore of Dinton.

You are the antonym of Snape.

You are our Miss Honey.

You are the opposite of Miss Trunchbull.

You are the bee's knees.

You are the cat's pajamas.

You are the wings of a butterfly.

You are the GOAT!

You care, you are kind.

You are the best head teacher in the world.

You will always be in our hearts.

You are an owl that sings our song.

Please Mrs Price

Please Mrs Price
Help us to believe
In our hearts and our minds
Before you run off to sea.

*Gather round children,
Listen to me.
You can do it yourself,
If you work together, you'll see.*

Please Mrs Price,
Put resilience in my soul,
Patch up all the cracks,
Before you visit the North Pole.

*Oh, mother of monkeys, Really?
That's very loving my dear,
But do get on with your work,
Or five minutes might be near.*

Please Mrs Price,
You believed in me
So how could I repay you
Before you leave to ski?

*You are all unique,
You're all so very special,
Your differences make you
An important individual.*

Please Mrs Price,
You fill us with joy.
You giggle at our production,
Before you tolt to Hanoi.

*Don't worry child,
It will be alright,
Think of something you love,
That will be your light.*

Poem for Mrs Price

You've got brains in your head,
And feet in your shoes.
You're one person we do not want to lose,
The time has come for pastures new.
Two roads diverge, there is one you must choose.

Enlightenment, motivation, inspiration too
Are the qualities you've taught us to name but a few.
The legacy you'll leave, the dedication you've shown,
Will enable us to grow in more ways than you know.

You have been a beacon in the darkness,
Encouraging our lights.
You have been a friend who listens
And champions our rights.

You've got memories in your mind,
And love in your heart.
The time has now come for us all to part.
With new roads to travel and adventures that await,
The possibilities are endless for you to create.

The sunshine is bright; the birds are singing,
For you this is just the beginning.
A new chapter, a new start – this is where our roads part.
As you leave for your travels, please keep us in your heart.
