

# Weekly Newsletter

Good afternoon,

We have had a fun packed week and have had a couple of visitors into school on the Infant site.

[Foundation class had a visit from Dr Parker](#), Ellie's Dad in year 2, who talked to the children about working in A&E as a doctor. The class were thrilled to try their hand using a stethoscope and part of an oxygen face mask. Learning about 'Superheroes' supports children's understanding and will hopefully making them more aware so if a hospital visit were necessary in the future.

As part of their '[Explorer](#)' topic [Year 1 and 2 enjoyed a visit from Ed Coats](#) this week, who shared his experiences of an Antarctic expedition. The children were fascinated to hear about the differences between the north and south poles and loved the opportunity to try out the equipment!

If anyone missed the Year 6 residential Teams Meeting in the week please contact the office if you would like a recording of the meeting. The Year 3 and 4 Woodrow launch meeting will be held on Wednesday and details will be shared before hand.

A polite reminder about the use of the car park at the Junior site. We ask parents not to park or use it for drop off or collection. This is due to the bottle neck it can create on the lane and the danger to children walking nearby. We have had a couple of incidents of parents driving in or out really quickly without realising children are close. We request all collection and drop offs are done on the green or up at the church. This includes after school clubs collection. The car park is for staff or visitors only. Thank you for helping us keep the lane car free.

## Teacher Training

At Cuddington and Dinton School we are passionate about developing future teachers, we have a robust training programme and work closely with Initial Teacher Training providers. Many of our Teaching Assistants have progressed their training to become fully qualified teachers, some of which have continued to work with us as Teachers.

We have worked closely with Ashmead Initial Teacher Training (Ashmead ITT) as a partner school for many years. They are now known as INSIGNIS Academy Trust SCITT (IAT SCITT). If you would like further information about joining Ashmead ITT, please [click here](#).

## F4CADS

Don't forget about next week's Quiz on Friday night. Further dates for the diary are to follow very soon

## Superstars of the Week

Foundation: Jemima, Lily
